Feminism - The third wave of feminism: The third wave of feminism emerged in the mid-1990s. It was led by so-called Generation Xers who, born in the 1960s and ‘70s in the developed world, came of age in a media-saturated and culturally and economically diverse milieu. Although they benefitted significantly from the legal rights and protections that had been obtained by first- and second-wave ...

The statistics on rape are so depressing just reading about them will destroy a little part of your soul. According to this UK report, only one percent of rapes results in conviction. Step outside the West and things are even worse: places like Afghanistan, Ecuador, Egypt and Guatemala have no laws against marital rape—meaning a husband can assault his wife whenever the hell he feels like it.
